

## Bio for Alexis E. Alexander...

Believer. Writer. Soloist. Dreamer. Designer. Mentor. Mentee. Podcaster. Business Woman. Entrepreneur. Unique. Quite different. All because she is most importantly a child of God. These are just a few of the adjectives that have graced Alexis E. Alexander. Dedicated to God before conception and mandated to be a “helper of mankind”, Alexis is walking out the God visions for her life. Gifted with an insatiable love for the word of God, she believes there is a word in the Bible for each and everything we face in life. Alexis constantly listens and looks to God for unique and creative ways to apply it to our everyday 21<sup>st</sup> century lives and shares that same knowledge with others.

Alexis has been singing since the age of four. Raised in the Church as the daughter of a Minister she found the Lord early in life. Often invited to minister the Word via song, she has sang all over this country from her home state of Georgia to Colorado and many states in between. Although she was fine singing, she felt all along a further call for more in ministry. God has blessed her with a thirst and heart for understanding the word of God. Beyond surface level to the mysteries revealed. She also has a heart for the people. God has brought the two together and via AEA Ministries, she is ministering the gospel of Jesus outside of the walls of the Church in various formats.

As a writer who taps into the voice of God and repeats via her hands what He says to her heart, Alexis is a published author. One of her devotionals is included in a devotional book by Dr. John E. Guns and she is also completing several book projects of her own. Blessed with creativity in her hands and a unique eye for vision, she has cultivated these gifts under her entrepreneurial spirit via her company WCA

Alexander Enterprises, LLC.

Earlier this year she was prompted to pick back up a God dream – her own show. She just completed season one of her Podcast- Conversations With Alexis. Each week she spoke with inspirational people with encouraging stories to tell and ended every episode in prayer. She is looking forward to the next season in 2018 and stands amazed at all God will do through faith and obedience.

God has also anointed her as a powerful intercessor. With a Holy Ghost boldness to pray the unusual yet God prompted prayers and seek the heart of God in her prayers.

Alexis is an uncomplicated vessel willingly ready to be used by God! Her vision via AEA Ministries is simply “here I am Lord, send me”. That’s her heart’s prayer and her life’s mission.
